

Join the party this Winter Break!

The Theodore Roosevelt Sanctuary & Audubon Center's Winter Program will introduce your child to the wonders that await them in the natural world.

Educators will instruct your child through nature hikes, games, crafts, stories and live animal presentations, all based around an exciting daily theme. Activities are designed to incorporate hands-on learning, while encouraging exploration, observation and problem-solving skills.

Your child will be placed in a group of 20 or less children of similar age and guided by Sanctuary educators.

**New this year:
An Extra Hour
FREE!**

The program runs Monday through Thursday, from 9:00 am-2:00 pm.

Children must bring a snack and lunch from home and be dressed for the weather each day.
