

THANK YOU!

SUPPORT AND COMMITMENT

Each year, Audubon New York is fortunate to have the support and commitment of thousands of donors across the state. Audubon New York operates as an independent program of National Audubon Society. The financial support of our donors is our only source of revenue. The New York state program does not receive any funds from membership dues.

While we make every attempt to ensure the accuracy of our donor lists, we know that there may be an error and we ask you to call us so that we may make the necessary correction.

BIRDATHON HOSTS

We thank our Year 2000 Birdathon hosts — those individuals and organizations that secured sponsorship and spent up to 24 hours in the field birding. If you contributed to a Birdathon, your support is truly appreciated. As a courtesy to our Birdathon donors, we do not list contributions nor will you be otherwise solicited by Audubon as a result of your participation.
