# PARTY THEMES

Select one theme described below for your child's nature party:

**Wilderness Warriors (ages 6+):** Put on some camouflage and learn to battle the wild with shelter building, fire starting, and more!

**Amazing Animals:** Discover some of the impressive reptiles and interesting insects that call the Sanctuary their home. Then go out on the trails to look for nests, burrows, and other signs of animal life.

**Bug-Stravaganza:** Bugs, bugs, are everywhere! Learn what makes an insect an insect, then we'll break out the nets and go for a bug hunt on the trails.

**Eat or Be Eaten (ages 8+):** Through various predator-prey and strategy games, your guests will be put in the "shoes" of wild animals whose main goal is to stay alive another day.
