Join our volunteer team & give back to nature and to the community!

Established in 1923, the Theodore Roosevelt Sanctuary & Audubon Center is the nation’s first songbird sanctuary. Our mission, to connect people and nature through hands-on experiential education programs is made possible in part through the valuable contributions of volunteers like you!

Becoming a volunteer allows you to engage in local history and help promote an appreciation of nature and conservation on Long Island.

Other benefits include:
- Field Trips; Recognition in Newsletters;
- Discounts on Nature Store Items; Annual Recognition Dinner; and of course opportunities for friendship & fun!

Volunteer Opportunities

Join the team!
To become a volunteer please send an email with your name, contact information, availability and basic volunteer interests to:
TRSAC@audubon.org
Or phone us at: 516-922-3200
We accept new volunteers monthly and hold quarterly orientations and trainings. We look forward to having you join the Sanctuary team!

Theodore Roosevelt Sanctuary & Audubon Center
134 Cove Road
Oyster Bay, NY 11771
(516) 922-3200 or trsac@aubudon.org

**Education Volunteers**

Two types of Education Volunteers:

**Environmental Educator**

**Public Program Guide**

We are looking for educators who would like to volunteer their skills to help us nurture the next generation of conservationists! Volunteers assist with lesson preparation, teaching and new program development, while gaining valuable experience working outdoors with diverse groups of children and adults.

**Wildlife Care Volunteers**

Wildlife Care Volunteers must be at least 18 years old.

If you like animals or would like to learn more about wild animals, consider becoming a wildlife care volunteer. We have turtles, snakes, and insects that are our ambassadors of nature. They will stay here at the Sanctuary for the rest of their lives as they can not survive in the wild.

Volunteers are needed to clean, feed, generally care for and help these special animals have a safe home. We are willing to train interested individuals.

**More Volunteer Opportunities**

**Grounds & Trails Maintenance**

Let’s get outside together! We need your help and your skills improving the grounds through carpentry, gardening, landscaping & general maintenance.

**Guest Services/ Hospitality**

If you’re a “people-person,” enjoy answering questions, are well organized, and have good office support skills we need your help inside our busy Nature Center!

**Research**

From bird banding to nest monitoring, your assistance with citizen science projects is needed throughout the year!

**Also: Development & Fundraising**

**Special Event Support**

**Groups & Special Interest Volunteers**

If you and your group are looking for a special volunteer project to connect with the community, develop teamwork, or simply enjoy a day together outside, look no further! We host corporate and group volunteer days, which allow your group to build team spirit and give back to your local community.

Opportunities include:

- Trail work * Habitat Restoration
- Coastal Clean-up * Invasive Plant Removal
- Bird-house Building * And more...
