17th Annual Robert F. DeRoo Memorial Youth Waterfowl Hunt
Code of Conduct

The 17th Annual Robert F. DeRoo Memorial Youth Waterfowl Hunt is designed for youth hunters to learn safe hunting practices. Montezuma Audubon Center (MAC) Staff, NYS Department of Environmental Conservation biologists and environmental conservation officers, US Fish and Wildlife Service biologists, and volunteers from numerous sportsman organizations have worked hard to give the youth hunters a safe environment to help increase their appreciation of sportsman activities. The MAC requires that all youth hunters and their parents and/or mentors treat everyone involved with the Robert F. DeRoo Memorial Youth Hunt with respect. When a hunter, parent, or mentor is being disrespectful or demonstrating a poor attitude toward other hunters or anyone involved in the hunts, it affects everyone. Therefore, the following actions, which are prohibited at all MAC activities, are also prohibited during the Robert F. DeRoo Memorial Youth Hunt.

- Deliberately taking any action that causes harm or has the potential to cause harm to another person;
- Name calling;
- Teasing/bullying;
- Profanity or use of derogatory terms;
- Pushing, shoving, or any unwanted touching;
- Talking back to or arguing with hunters, staff or volunteers.

Corrective Action:

If any of the actions listed above occur during the Robert F. DeRoo Memorial Youth Hunt, the youth hunter and mentor will be removed from the activity and prohibited from participating in the hunts.

By signing below, you confirm that you understand the Montezuma Audubon Center's Code of Conduct and agree to the terms of the corrective action as stated above.
