

Montezuma Alliance for the Restoration of Species & Habitats

 Department of Environmental Conservation

 NATIONAL WILDLIFE REFUGE SYSTEM | Montezuma National Wildlife Refuge

 Audubon | Montezuma Audubon Center

VOLUNTEER

to Help Us Give Montezuma Wildlife a Better Place to Live!

MARSH! is part of a larger effort to restore, protect, and enhance wildlife habitat on nearly 50,000 acres in the Montezuma Wetlands Complex.

This **VOLUNTEER** program supports the habitat restoration efforts of the United States Fish and Wildlife Service, New York State Department of Environmental Conservation, Montezuma Audubon Center and other partners at Montezuma.

This group works on controlling invasive species in grassland, shrubland, forest, marsh and river. The work is hands-on as we monitor, cut and pull invasive species & replant and monitor natives that will be more beneficial to wildlife & less harmful to Montezuma habitats overall!

MARSH! workdays run 9:00AM to 1:00PM

(Lunch will be provided by the Friends of the Montezuma Wetlands Complex.)

September 2023: Native Seed collecting @ MAC/DEC

Wed. 9/13 Wed. 9/27 Sat. 9/30

Special thanks to the Friends of the Montezuma Wetlands Complex for their support!

Please SIGN UP by noon the day before the workday.
For MAC/DEC workdays, call 315-365-3588 or email montezuma@audubon.org
