## FAQ
**Q:** Can I register over the phone through the mail/in person?
**A:** All registration must be done online through our CampDocs registration site.

**Q:** What are my payment options?
**A:** Payment is done through CampDocs. You may pay using a credit card or by inputting your bank information. Payment is due in full at the time of registration.

**Q:** I am not able to register my children to the same group. Why is this?
**A:** Groups are sorted by age. If your children will not be in the same age bracket at the time of their session, they will not be able to be in the same group. **Grouping by ages allows us to ensure that all children have access to developmentally appropriate and engaging activities.**

**Q:** I missed the registration and there are no spots open. What can I do?
**A:** Once a session is filled, anyone attempting to register will be given the option to join a waitlist. In the event of an open spot or cancellation, participants on the waitlist will be contacted in order of waitlist signup.
